

It's crunch time!

Imagine waking up to the news November 4th and hearing that Democrats have won the House and Senate, that New Mexico has a solidly BLUE administration. Imagine your pride in helping bring that about!

Your monthly ActBlue contribution from now through the election will make that difference! You will be supporting our county and state candidates and our congresspeople, by your \$100/mo. contribution.

Can't give that much? What can you give to make the change we all want to see for America and for our great state?

Hit the donate button on our home page and make a difference we can all celebrate on 11/4!

And a big "thank you" to the many members who have already made a monthly pledge.
